BinaxNOW™ COVID-19/Flu A&B

COVID-19 and influenza have similar symptoms, making accurate diagnosis difficult based on symptoms alone. Using one, patient-friendly nasal swab, BinaxNOW™ COVID-19/Flu A&B simultaneously tests for COVID-19, influenza A and influenza B.

- Provides results in just 15 minutes, enabling you to diagnose and treat patients in a single visit
- Simple test procedure designed for decentralized testing – no instrument required
- One swab for COVID-19, influenza A and influenza B
